Amendment to Madras Manual of Special Pay and Allowances.

Fort St. George, March 14, 1942
(G.O. No. 61, Finance).

No. 36.

In exercise of the powers conferred by section 241 (2) (b), section 247 (1) (b) and section 250 (1) and (2) of the Government of India Act, 1935 His Excellency the Governor of Madras is hereby pleased to direct that the following shall be substituted for the existing rule 13 in Part I of Volume I of the Madras Manual of Special Pay and Allowances:—

"13. The following rules shall regulate the grant of allowances under the Madras House Allowances scheme to Government servants employed in posts in Madras City, provided that they actually reside in the City:—

(1) The allowances granted under these rules are 'Compensatory Allowances' within the meaning of Fundamental Rule 44 and other rules bearing on the subject.

(2) The scheme will not apply to Government servants the minimum pay of whose time-scale or whose graded or fixed pay is Rs. 60 or less, and will be restricted to the following classes of Government servants, whether they draw a special pay or not:—

(a) Government servants belonging to a regular cadre of a service normally liable to be employed either in Madras City, or in stations in the mofussil, who, if employed in the City, draw the scale of pay of the cadre in force in the mofussil, and

(b) Government servants who, though not liable to be employed in the mofussil, draw pay in a scale in force both in the City and in the mofussil:

Provided that in either case they are not occupying free of rent quarters either built or rented for them by the Government or have not been granted house rent allowances in lieu thereof.

NOTE I.—House allowance will not be admissible to the incumbent of a post in the City merely on the ground that the pay sanctioned for the post corresponds to the pay of some post in the mofussil. The duties of the posts must be comparable and difficult cases should be referred to Government for decision.

NOTE II.—Notwithstanding anything contained in sub-rule (2) the officers specified in the Class IV in Appendix I in Volume II of this Manual will not be eligible for house allowance.

(3) The allowance will be admissible only when the house-rent proper actually paid by a Government servant is in excess of 10 per cent of his emoluments, if the house is an unfurnished one, or 12½ per cent, if the house is a furnished one. The amount of the allowance will be the actual excess over 10 or 12½ per cent of the emoluments or as the case may be, subject to the following maxima:—

Group.	Class of officers.	Maximum limit of the monthly house allowance.
	Gazetted Officers	Rs.
I.	All Government servants whose total emoluments exclusive compensatory allowances exceed Rs. 1,000 ..	100
II.	Government servants, not included in Group I, the minimum pay of whose time-scale or whose graded or fixed pay is not less than Rs. 350	75
III.	All Government servants not included in Groups I and II	50
	Non-gazetted Officers.	
IV.	Government servants, the minimum pay of whose time-scale or whose graded or fixed pay is not less than Rs. 120 ..	25
V.	Government servants, the maximum pay of whose time-scale or whose graded or fixed pay is more than Rs. 60 and less than Rs. 120	15

NOTE.—For the purposes of this sub-rule, the term 'emoluments' will be interpreted as in Fundamental Rule 45-C, but will exclude any compensatory allowance and the term "the house-rent proper actually paid" will be interpreted in accordance with instructions issued from time to time.

COPY OF PROCEEDINGS OF THE COURT OF ENQUIRY UNDER THE TRADE DISPUTES ACT, 1929, DATED THE 28TH MARCH 1942

PRESENT:

F. R. Bridge, Esq., I.S., Commissioner of Labour, Madras.

Read—(1) Public Works Department (Confdl.) Special Memo No. 1000-B/42-2, dated 5th March 1942, (2) Public Works Department letter No. 1000-B/42-3, dated 5th March 1942, to the President, Public Works Department Workers' Union, Perambur, (3) G.O. No. 758, Public Works, dated 12th March 1942.

FINDING.

I am required to come to a finding on the following question—

"Whether the services of coolie Arokiasami, No. 1 godown were dispensed with by the General Superintendent of the Workshops for adequate reasons".

The parties are the General Superintendent, Public Works Workshops and the President of the Public Works Workers' Union, representing Arokiasami, who was employed as coolie, No. 1 godown in the shops.

Both parties have agreed to accept the decision of the Court as binding.

2 The facts are simple enough for the purpose of this enquiry.

As godown coolie, Arokiasami worked under the sub-store-keeper. His duty was to assist and act under the orders of the sub-store-keeper in receiving stock and in passing it on indent. It is clear that he had no independent responsibility. His job was to do as the store-keeper told him. The responsibility for the stores—their safe custody, issue and so forth—was with the sub-store-keeper subject to the further general responsibility of the store keeper.

On 3rd July 1941, the General Superintendent made a surprise check of valuable metals in No. 1 godown and found the following shortages:—

Description.	Quantity.	Value.
	Lbs. ozs.	Rs. a. p.
Gun-metal ingots weighing about 10 lb each ..	586 8	584 13 0
Tin ingot	53 13	100 14 0
Copper ingot	48 14	22 13 0
Brass scrap	78 11	23 9 0

The Stores Manual provides for the complete check of all stores once in two years by the verifier deputed from the Accountant-General's office. Consignments and issues above a certain value are required to be checked by the General Superintendent but there is no provision for physical check of the balance of stock after authorised transactions. These transactions are entered in the sub store-keeper's ledger and a duplicate ledger is maintained in the Superintendent's office on the basis of a copy of the form of indent. This is the check in a book check only. The result is that at the actual check by the verifier, certain variations are detected between book entries and actual stock and adjustments are made of excess as well as deficit stock.

In the present case, however, the discrepancy in the stock of gun-metal ingots—to take what is by far the largest and most important of the four items—is so great as to preclude the possibility of normal discrepancy especially as there is no other item stocked, against which the deficiency could be off-set by being put down to inadvertent issue of the wrong kind of material.

3. There are two possibilities (1) that stock was credited which was not actually received, (2) that stock was illicitly removed or in other words stolen. The last check of stock by the verifier was on the 25th June 1940 and subsequently ingots—amounting in all to 5,944 lb were received in four consignments of 784 lb, 3,600 lb. and 560 lb. respectively. By reason of the quantities involved, these consignments would have been checked by the Superintendent under the rules [section VI (2) of the Stores Manual] so the possibility of false accounting of receipts may be ruled out; but no suspicion could attach to the coolie in any case, as the matter could be purely one of manipulation of books and accounts with which a coolie has no concern whatever.

4. The suspicion attaching to Arokiasami arises out of the second possibility—namely of actual theft of stores from the godown, and the case against him as put forward by the Superintendent boils down to this that he failed to report a diminution of stock that was not covered by regular issues.

5 A charge of this sort could only be supported if at all on the assumption that Arokiasami and he alone had the handling of these stores (always under the direction of the sub-store-keeper) in the

ordinary course of business. Once it is conceded that Arokiasami might well be absent on occasions —whether to attend to arrangements at the station or on regular leave—during which period of absence the sub-store-keeper would requisition the services of other coolies in handling stock, the theory of responsibility breaks down. The Superintendent has furnished a statement of the leave of absence granted to Arokiasami, which shows that the coolie was absent on 241 out of the 285 working days covered by the period in question and the days he was present, he was sent out of the premises on duty on 27 occasions. It shows further that out of 60 issues of gun-metal, 19 were made on occasions when the coolie was absent. In view of these figures, it is not possible to accept that there was a large and sudden diminution of stock in such circumstances that the coolie's suspicions must have been aroused. I need not therefore deal with the further question whether in any case, it was his duty to report any suspicion to the Superintendent and in effect to lodge an indictment against the sub-store-keeper with whom responsibility quite obviously rested. I might, however, in any perhaps that it is to my mind a complete reversal of the natural order of things to hold a subordinate responsible for the short-comings of his superior and particularly is this so where the subordinate is a coolie who is paid to perform simple manual operations under direction.

6. Police investigation into the shortage has failed to trace any culprit or to attach any suspicion to Arokiasami beyond the suggestion that he is indebted. But indebtedness is chronic amongst the class of workers. There would be more room for suspicion if it were shown that the coolie had discharged a considerable amount of debt from undisclosed funds.

7. It is obvious that the ingots could not have been smuggled out of the yard without gross negligence (or worse) on a considerable scale.

That, however, is a different matter. It has not been shown to my satisfaction that the removal could not have taken place either in or out of working hours without the connivance of coolie Arokiasami, nor that without such connivance he must have been aware of an irregular shortage and further that his silence was in itself culpable to the point of justifying his dismissal. I hold therefore that his dismissal was not justified.

Removal from office of president of Revbal Panchayat Board.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards, Sri P. R. Between 20th May 1940 and 28th June 1940 he withdrew all the amount from the bank leaving a balance of Rs. 2-12-1. This withdrawal was not made for meeting any expenditure on behalf of the panchayat board.

(2) The president failed to lodge the moneys received towards land cess into the savings bank. The amounts of Rs. 110, Rs. 117 and Rs. 315 received on 6th April 1940, 18th November 1940 and 20th September 1941 respectively were not deposited in the bank.

(3) The president failed to produce the cash balance of Rs. 441 before the Assistant-Panchayat Officer on 2nd November 1941 on demand, but gave a statement that the money was with his nephew and that the amount would be deposited into the bank. He failed to do so.

There are separate forms of application for non-residential and residential scholarships and for those in secondary and elementary schools and in colleges. The proper forms should be used. The use of forms which are obsolete or are not appropriate to the kind of scholarship required is likely to result in the applications being ignored. [These figures represent charges for boarding for nine months of the college year plus cost of books and special fees where the students have to pay no fee for tuition and about half the average standard fees where they have to pay any fees for tuition to the college.]

13. The "No-fee" rate scholarships are intended to cover, in the case of non-residential scholarships, the cost of books, etc., required for the pupils' study and the special fees which they have to pay to the institutions and in the case of residential scholarships, they include the cost of the pupils' boarding also.

14. The non-residential scholarships are payable in two instalments, the first instalment representing three-fourths of the annual value in July 1942 and the second instalment representing the remaining fourth in January 1943.

15. The residential scholarships are payable in three instalments in July, October and January, each instalment representing one-third of the annual value.

16. Heads of institutions are requested to prefer their claims for sanctioned scholarships promptly without allowing them to accumulate. Also they are requested to cash the bills soon after they are received back countersigned and disburse the amounts to the pupils concerned on proper acquittance in accordance with the rules on the subject. They should in any case all be drawn before the end of the official year, that is, the 31st March 1943, and any amount not so drawn cannot be drawn after 31st March 1943 without a fresh sanction from the Commissioner of Labour.

17. All scholarships, residential and non-residential, shall run from the beginning of the month in which the holder joins a class and should cease to be drawn if he discontinues study. A proportionate reduction should accordingly be made wherever necessary.

18. A reduction should be made in the case of residential scholarships according to the period the pupil is actually residing in the hostel, etc., away from home.

19. All scholarships are liable to forfeiture for misconduct, irregularity or failure to make due progress or secure promotion. Heads of institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month, to scholarship-holders who are absent in consequence of illness, but if the leave exceeds the period, no scholarship is to be drawn and disbursed for the excess period. Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year provided such leave does not immediately precede or succeed a series of gazetted holidays as the Easter and Michaelmas. Heads of institutions should report to the Commissioner of Labour all cases of grant of leave other than casual leave to scholarship-holders. Such reports should be made also to the District Labour Officer if there is one for the district. In the case of non-residential scholarships which do not include charges for boarding, no deduction is ordinarily made from those who hold scholarships at no-fee rates for short periods of absence as the no-fee rates are intended for purchase of books, etc., required for their study. Where the periods of absence are for more than a month and the absence is due to avoidable circumstances not beyond the control of the scholarship-holder, a proportionate deduction may be made as a punishment in the amount of scholarship otherwise due.

20. The Commissioner of Labour has powers to grant scholarships only to those who are not in receipt of similar scholarships from the Education or other Departments of Government. Therefore no person receiving a scholarship from the Labour Department will be permitted to hold any other kind of scholarship from the same Labour Department or any scholarship or fee concession from any other Department of Government or other source. If a Labour scholarship holder has to pay fees at rates less than those included in the annual value of the Labour scholarship on his been given a fee remission or scholarship by the Education Department or by the school management or by other source, such rates should be reported to the Commissioner of Labour for revision of the rates of scholarship sanctioned.

21. As soon as the scholarship amounts due on behalf of the pupils in an institution are either drawn from the treasuries or have been remitted to them by the Commissioner of Labour or the District Labour Officer as the case may be, the heads of the institutions are requested to pay the amounts to the pupils concerned taking their acquittances in the prescribed forms, copies of which can be had from the Commissioner of Labour and send their acquittances to the Commissioner of Labour or the District Labour Officer as the case may be. The heads of the institutions are expected to recover from the pupils, immediately the scholarships are disbursed, the school fees due and see that the balance left over in the hands of the pupils is properly utilized by them on the purchase of books, etc., required for the year and in the case of residential scholarships, on their boarding.

2. The physical education scholarship and the midwifery scholarships are residential scholarships and include charges for boarding and lodging. The scholarships for the commercial and other professional courses of study are non-residential ones. They are payable in two instalments—the first instalment representing three-fourths of the annual value in July and the second instalment representing the remaining fourth in January.

3. A list of the communities eligible for help by the Labour Department is annexed. Persons belonging to these communities who have been converted to Christianity or any other religion and their descendants are also eligible for these concessions. The scholarships will be granted only to pupils of parents whose pecuniary circumstances are certified to be such as to prevent them from prosecuting their studies without the assistance of the scholarships.

4. The scholarships will not be granted to pupils who, in the opinion of the Commissioner of Labour are too old or have been out of school or college for more years than one or are otherwise not likely to be benefited by the grant.

5. In the case of pupils belonging to the Criminal Tribes, the applicants or their parents or their guardians should be registered members of notified Criminal Tribes.

6. Forms of application can be had from the office of the Commissioner of Labour, Post Box No. 499, Chepauk, Madras. There are separate forms of application for the different kinds of scholarships and the proper forms should be used. The use of forms which are obsolete or are not appropriate to the kind of scholarship required is likely to result in the application being ignored.

7. Application should be forwarded without any covering letter by the head of the institution in which the pupil is studying on the date of application in 1942-43 or intends to study through the head of the institution in which the pupil studied in 1941-42. All applications should be dated and a separate form should be used for each applicant.

8. The course in which the scholarship is required to be made tenable and all other particulars required in the application form should be clearly given. The name of the nearest Post office, the name of the nearest sub-treasury and the distance from the sub-treasury to the institution should also be given. Incomplete applications will not be considered.

9. Applications for the course of study in Midwifery should reach the Commissioner on or before the 15th May 1942. Applications for the courses of study in Physical Education and Commercial Education should reach the Commissioner on or before the 1st June 1942. In other cases, the applications should reach the Commissioner before the 15th July 1942. In the case of pupils belonging to Criminal Tribes, the application should not be forwarded direct but should be sent through the concerned District Superintendent of Police who is requested to verify and forward the applications with a report whether the pupils or their parents or their guardians are registered members of notified Criminal Tribes. In such cases, the applications should be sent to the District Superintendent of Police in good time to enable him to verify and forward them before the due date.

10. Applications received after the prescribed dates may not be considered. In all cases where scholarships are sanctioned, intimation will be given to the concerned heads of institutions who are requested to inform the pupils. Where the grant of a scholarship is refused, no such intimation will be given nor will the Commissioner of Labour enter into any correspondence on the subject. Copies of the Labour Commissioner's sanction orders will be communicated to the heads of the Departments concerned with the institution, with a view to prevent the grant of scholarships for the same pupils from two different Departments of Government.

11. The scholarships for commercial education will be granted only to pupils reading in recognized or approved schools of commerce whose general educational qualification is Form IV and above. Heads of commercial institutions are requested when they apply for scholarships to see that their schools are in the list of schools recognized or approved for imparting instruction in the subjects for a course in which the scholarships are required. The minimum general educational qualifications required of an applicant for the Physical Education scholarship is that he should be the holder of a secondary school-leaving certificate (passed) with eligibility for the college course. For other scholarships the qualification will be that prescribed for admission to that course of study in the institution concerned.

12. The scholarships will be sanctioned subject to the conditions specified in this notification and to such other conditions as may be laid down in the orders communicating the sanction of scholarships.

13. All scholarships are liable to forfeiture for misconduct, irregularity or failure to make due progress or secure promotion. Heads of institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month to scholarship-holders who are absent in consequence of illness. But if the leave exceeds this period, no scholarship is to be drawn for the excess period. Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year provided such leave does not immediately precede or succeed a series of gazetted holidays as the Easter and Midsummer. Heads of institutions should report to the Commissioner of Labour all cases of grant of leave other than casual leave to the scholarship-holders. Such reports should be made also to the District Labour Officer, if there is one for the district. In the case of those who have been granted scholarships to cover cost of essential books, etc., and the special fees only, no deduction is ordinarily made for short periods of absence as the rates of scholarships commonly known as "no-fee" rates are not intended for regular school fees or for boarding and lodging. A proportionate reduction should however be made for absence in the case of those who have been given scholarships to cover cost of boarding and/or regular school fees.

14. The Commissioner of Labour has power to grant scholarships only to those who are not in receipt of similar scholarships from the Education or other Departments of Government. Therefore no person receiving a scholarship from the Labour Department will be permitted to hold any scholarship or other kind of help from any other Department of Government or from other source.

15. All scholarships, residential and non-residential, shall run from the beginning of the month in which the holder joins the class and shall cease to be drawn if he discontinues study. A reduction should be made in the case of residential scholarships according to the period the pupil is actually residing in the hostel, etc., away from home.

16. Heads of the institutions are requested to prefer their claims for sanctioned scholarships promptly without allowing them to accumulate. Also they are requested to rush the bills soon after they are received back countersigned and disburse the amounts to the pupils concerned on proper acquittance in accordance with the rules on the subject. The scholarships sanctioned in 1942-43 should in any case all be drawn before the end of the official year, that is, 31st March 1943, and any amount not so drawn cannot be drawn after 31st March 1943 without a fresh sanction from the Commissioner of Labour.

17. As soon as the scholarship amounts due on behalf of the pupils in an institution are either drawn by him from the treasury or have been remitted to him by the Commissioner of Labour or the District Labour Officer as the case may be, the head of the institution concerned is requested to pay the amounts to the pupils taking their acquittance in the prescribed forms—copies of which can be had from the Commissioner of Labour—and send their acquittance to the Commissioner of Labour or the District Labour Officer as the case may be. The heads of the institutions are expected to recover from the pupils, immediately the scholarships are disbursed, the school fees due and see that the balance left over in the hands of the pupils is properly utilized by them on the purchase of books, etc., required for the year and in the case of residential scholarships on their boarding.

The use of forms which are obsolete or are not appropriate to the kind of scholarship required is likely to result in the application being ignored.

6 Applications should be forwarded without any covering letter by the head of the institutions (firm, school or workshop) in which the applicant seeks admission A separate form should be used for each applicant *All applications should be dated and accompanied by the school-leaving certificate, or original*, from the school last attended and by such other documents required

7 The course in which the scholarship is required to be made (possible and all other particulars required in the application form should be clearly given The name of the nearest Post office, the name of the nearest sub-treasury and the distance from the sub-treasury to the institution should also be given Incomplete applications will not be considered

8 In the case of pupils belonging to Criminal Tribes, the applications should not be forwarded direct, but should be sent through the concerned District Superintendent of Police who is requested to verify and forward the applications with a report whether the pupils or their parents or their guardians are registered members of notified Criminal Tribes. In such cases, the application should be sent to the District Superintendent of Police in good time to enable him to verify and forward them before the due date

9. Applications received after the prescribed date may not be considered In all cases where scholarships are sanctioned, intimation will be given to the concerned heads of institutions who are requested to inform the pupils. Where the grant of a scholarship is refused, no such intimation will be given nor will the Commissioner of Labour enter into any correspondence on the subject. Copies of the Commissioner's sanction orders will be communicated to the heads of the departments concerned with the institutions with a view to prevent grant of scholarships for the same pupils from two different departments of Government.

10. The scholarships will be sanctioned subject to the conditions specified in this notification and to such other conditions as may be laid down in the orders communicating the sanction of scholarships

11. The scholarship-holders will be subject, during the period of their training or apprenticeship, to the disciplinary regulations of the institution—firm, workshop or school—concerned.

12 Apprentices and their parents or guardians may be required to enter into an agreement, with the employer, that they will faithfully fulfil the conditions of apprenticeship and unless prevented by illness or other circumstances beyond their control serve the full term of apprenticeship that may be agreed on.

13. All scholarships are liable to forfeiture for misconduct, irregularity or failure to make due progress or secure promotion. Heads of institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month to scholarship-holders who are absent in consequence of illness. But if the leave exceeds this period, no scholarship is to be drawn and disbursed for the excess period Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding 15 days in the year, provided such leave does not immediately precede or succeed a series of gazetted holidays as the Easter and Michaelmas Heads of institutions should report to the Commissioner of Labour all cases of grant of leave other than casual leave to the scholarship-holders. Such reports should be made also to the District Labour Officer, if there is one for the district In the case of those who have been granted scholarships to cover cost of essential books, etc, and the special fee only, no deductions is ordinarily made for short periods of absence as the

rates of scholarships commonly known as "no fee" rates are not intended for regular school fees or for boarding and lodging. A proportionate reduction should however be made for absence in the case of those who have been given scholarships to cover cost of boarding and/or regular school fees.

14. The Commissioner of Labour has powers to grant scholarships only to those who are not in receipt of similar scholarships from the industries or other departments of Government. Therefore no person receiving a scholarship from the Labour department will be permitted to hold any scholarship or other kind of help from any other department of Government or from other sources.

15. All scholarships, residential and non-residential, held in any class shall run from the beginning of the month in which the holder joins the institution and shall cease to be drawn when he ceases to attend it. A proportionate reduction may accordingly be made in the claims for the scholarship in the cases of pupils joining late or discontinuing studies. A reduction should be made in the case of residential scholarships according to the period the pupil is actually residing away from home.

16. The scholarships are payable in instalments as prescribed. Heads of the institutions are requested to prefer their claims for sanctioned scholarships promptly without allowing them to accumulate. Also they are requested to send the bills soon after they are received back countersigned and disburse the amounts to the pupils concerned on proper acquittance in accordance with the rules on the subject. The scholarships sanctioned in 1942-43 should in any case all be drawn before the end of the official year, that is, 31st March 1943 and any amount not so drawn cannot be drawn after 31st March 1943 without a fresh sanction from the Commissioner of Labour.

17. As soon as the scholarship amounts due on behalf of the pupils in an institution are either drawn by him from the treasury or have been remitted to him by the Commissioner of Labour or the District Labour Officer, as the case may be, the head of the institution concerned is requested to pay the amounts to the pupils taking their acquittance in the prescribed forms—copies of which can be had from the Commissioner of Labour—and send their acquittance to the Commissioner of Labour or the District Labour Officer, as the case may be. The heads of the institutions are expected to recover from the pupils, immediately the scholarships are disbursed, the school-fees due and see that the balance left over in the hands of the pupils is properly utilised by them on the purchase of books, etc., required for the year and in the case of residential scholarships on their boarding.

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing sisters for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the term from which the cadet is to be withdrawn, the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs 500 per annum to any one cadet and are granted for a year at a time, after which they are reviewed.

(7) A scholarship of the value of Rs 1,150 will be available during 1943-44 and will be granted in accordance with the rules issued in G.O. No. 1038, Public (Political), dated 22nd May 1940. (No scholarship will be available for 1942-43.)

(8) Parents or guardians of candidates for admission to the college, at the time of the submission of the applications, will furnish signed declarations (in duplicate) in the following form :—

"I, _____ (parent/guardian) of _____, a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my _____ (son/ward) should make the Indian Army, Air Force or Royal Indian Navy his profession in life.

I declare also that—

(a) if my son/ward withdraws from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy.

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession, *for reasons within his control* on which points final decision will rest with the Government of India), I shall be required to pay the full cost (Rs 3,200 per annum) which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my son/ward is unmarried and that he will remain a bachelor whilst at the college and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy.

of 1898.

STATEMENT OF OBJECTS AND REASONS.

There is no statutory provision under which the agents of the Society for the Prevention of Cruelty to Animals can be empowered to arrest persons committing in their view offences relating to cruelty to animals. The work of the Society for the Prevention of Cruelty to Animals has in consequence been greatly handicapped. Under the law as it stands, agents of the Society have to prefer complaints like private persons on which summonses have to issue. It is often found impossible to trace the offenders and serve summonses on them. Consequently, cruelties to animals which have been made offences, often go unpunished. It is therefore considered necessary to empower the agents of the Society for the Prevention of Cruelty to Animals specially authorized by the Provincial Government in that behalf, to arrest without a warrant persons committing in their view any act constituting cruelty to animals which is punishable under section 53 of the Madras City Police Act, 1888, section 5 of the Towns Nuisances Act, 1889, or the Prevention of Cruelty to Animals Act, 1890.

Section 13 of the Prevention of Cruelty to Animals Act, 1890, lays down that only offences under section 4 (practising phooka) are cognizable and consequently even a Police officer has no power to arrest without warrant persons committing offences other than those falling under section 4 of the Act. It is considered necessary in order effectively to prevent acts of cruelty to animals to make all offences under the Act cognizable so that the offenders may be arrested on the spot without warrant.

The Bill gives effect to the above objects.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Tanjore Chattram Endowments (Utilization) Act, 1942, in exercise of the powers of the Provincial Legislature assumed by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information :—

STATEMENT.

The Mahratta Rulers of Tanjore founded a number of chattrams on the main road to Rameswaram for the accommodation of pilgrims and created various endowments in

connexion therewith but documents expressly defining the objects of these endowments are not now available. For over a century the income from these endowments has been utilized not only for feeding and otherwise helping pilgrims to Rameswaram but also for other charitable purposes such as the maintenance of schools and the distribution of medicines. These endowments are now under the management and superintendence of the Tanjore District Board and for a long time it has made contributions from the funds of the endowments towards the maintenance of certain educational and medical institutions. As doubts have been entertained regarding the validity of the contributions, it is considered necessary to validate the contributions already made and also to provide for the continuance of such contributions in future. To give effect to the above objects a Bill was published and objections and suggestions were invited. After considering the objections and suggestions, His Excellency the Governor has enacted the Tanjore Chattram Endowments (Utilization) Act, 1942.

പരസ്യം.

1935 ലെ ഇന്ത്യാ ഗവർമ്മെണ്ട് ആക്ട് 93-ാം വകുപ്പുപ്രകാരം പുറപ്പെടുവിച്ച വിളംബരത്തെ സംബന്ധിച്ചു ബഹു മാനപ്പെട്ട ഗവർണ്ണരവർകൾ കൈക്കൊണ്ട സംസ്ഥാന നിയമ സാമർത്ഥ്യത്തെ അധികാരത്താലും 1942 ലെ മദിരാശി യൂനിവേർസിറ്റി (രണ്ടാം ഭേദഗതി) ആക്ട് എന്ന നിയമമുണ്ടാക്കുവാൻ മുമ്പേതന്നെ പ്രേരിപ്പിച്ച കാരണങ്ങളെപ്പറ്റി താഴെ പറയുന്ന പ്രസ്താവന എല്ലാവർക്കും അറിവാനായി പ്രസിദ്ധപ്പെടുത്തിയിരിക്കുന്നു :—

പ്രസ്താവന.

1923 ലെ മദിരാശി യൂനിവേർസിറ്റി ആക്ട് (1923 ലെ 7-ാം മദിരാശി ആക്ട്) പ്രകാരം സെനെറ്റിലെയ്ക്കോ, സിൻഡിക്കേറ്റിലെയ്ക്കോ, അക്കാഡമിക് കൌൺസിലിലെയ്ക്കോ തിരഞ്ഞെടുക്കപ്പെട്ട അല്ലെങ്കിൽ നിയമനം ചെയ്യപ്പെട്ട സംഗതിയിൽ ഉദ്യോഗകാലാവധി, ആയാളെ തിരഞ്ഞെടുക്കുകയോ നിയമനം ചെയ്കയോ ചെയ്ത തിയ്യതിമുതൽ ഉണ്ടാകുന്ന യൂനിവേർസിറ്റി പരീക്ഷയായ സഭകളിലേക്കുള്ള ഏറ്റവും വലിയ തിരഞ്ഞെടുപ്പുണ്ടാകുന്ന പേർ നിശ്ചയിക്കപ്പെട്ട വിദ്യാപരീക്ഷയുടെ (ഗ്രാഡ്വേഷന്റെ) നിയോജകമണ്ഡലത്തിന്റെ. ഈ മണ്ഡലത്തിൽ രജിസ്റ്റർചെയ്ത ഗ്രാഡ്വേറ്റുകൾ 8,000 ത്തിനും 9,000 ത്തിനും മദ്ധ്യേയുണ്ട്. ഈ നിയോജകമണ്ഡലത്താൽ സെനെറ്റിലേക്ക തിരഞ്ഞെടുക്കപ്പെട്ട 30 അംഗങ്ങളിൽ വച്ചു പേർ 1942 മാച്ച് 31-ാം തിയ്യതിക അംഗത്വമുപേക്ഷിക്കുന്നതാണ്. ഈ നിയോജകമണ്ഡലം മുമ്പുള്ള തിരഞ്ഞെടുപ്പു നടത്തുന്നതു തപാൽ മുഖാന്തരമായി വോട്ട ചെയ്യിച്ചാണ്. ഇപ്പോഴുള്ള അസാധാരണ പരിതഃസ്ഥിതികളും രജിസ്റ്റർചെയ്ത

ശ്രദ്ധേയമാകുന്നതിൽ അനന്തപുരി, പ്രത്യേകിച്ച് മദിരാശി സംസ്ഥാനത്തിലുള്ള, മറ്റു സ്ഥലങ്ങളിലേക്ക് പാഠ്യ മാറിയിരിക്കാവുന്നതും, യൂണിവേഴ്സിറ്റി ആഫീസിൽ വെച്ചുചോദിക്കുന്ന പട്ടികയിൽ പറഞ്ഞിട്ടുള്ള മേൽവിലാസങ്ങളിൽ അപേക്ഷ കാണുവാനിടയില്ലാത്തതുമാകുന്നു. കോളേജുകളിലെ മൊത്തമായുള്ള പ്രവർത്തനങ്ങളുടെ നിരക്കെയുള്ള കാര്യത്തിൽ കോളേജുകൾ രണ്ടാമതും സാധാരണ നിലയിൽ പ്രവർത്തിച്ചുതുടങ്ങുന്നതുവരെ തിരഞ്ഞെടുപ്പുകൾ നടത്തുന്നതിനും എഴുതി തയ്യാറാക്കുവാൻ ഏർപ്പാടായിരിക്കയില്ല. യൂണിവേഴ്സിറ്റിയിലെ മറ്റു അധികാരയോഗങ്ങളിലേക്ക ഇപ്പോഴത്തെ സ്ഥിതിഗതികളിൽ തിരഞ്ഞെടുപ്പുകൾ നടത്തുന്നതു അനാവശ്യമാണെന്നും കരുതപ്പെടുന്നു. അതുകൊണ്ടു ഗവർണ്മെണ്ടു്, വൈസ് ചാൻസലരോടാലോചിച്ചശേഷം, സെനറ്റിലേയും, സിൻഡിക്കേറ്റിലേയും, അക്കാഡമിക്ക് കൌൺസിലിലേയും തിരഞ്ഞെടുക്കപ്പെടുവാൻ നിയമം ചെയ്തപ്പെടുവാനായ അംഗങ്ങളുടെ 2-ാമത്തെ കാലാവധി നീട്ടുന്നതിനും ഈ സഭകളിലേക്കുള്ള തിരഞ്ഞെടുപ്പുകളും നിയമനങ്ങളും നിറുത്തിവെക്കുന്നതിനും തിട്ടപ്പെടുത്തിയിരിക്കുന്നു. അതനുസരിച്ചു ചാൻസലർ മാരെ ചേരുന്ന അധികാരങ്ങൾ നല്കിക്കൊണ്ടു 1942 ലെ മദിരാശി യൂണിവേഴ്സിറ്റി (രണ്ടാം ഭേദഗതി) ആക്ട് എന്ന നിയമമുണ്ടാക്കിയിരിക്കുന്നു:—

(i) 1942 ജനുവരി 25-ാം തിയ്യതിക്കു മുമ്പ്രാഗതിയിലിരുന്നവരായി തിരഞ്ഞെടുക്കപ്പെടുവാനും നിയമനം ചെയ്തപ്പെടുവാനായ സെനറ്റ് അംഗങ്ങളുടെയും, 1942 മാച്ച് 30-ാം തിയ്യതിക്കു മുമ്പ്രാഗതം വഹിക്കുന്നവരായി സിൻഡിക്കേറ്റിലേയും അക്കാഡമിക് കൌൺസിലിലേയും തിരഞ്ഞെടുക്കപ്പെടുവാനും നിയമനം ചെയ്യപ്പെട്ടവരായ അംഗങ്ങളുടെയും മുമ്പ്രാഗകാലാവധി, 1944 മാച്ച് 31-ാം തിയ്യതിക്കു ശേഷം തുടർന്നു നിലനിൽക്കുന്നതാണെന്നു നിശ്ചയമാക്കപ്പെട്ടു, ഒരു സമയത്തു ആറുമാസത്തിൽ കവിയാത്ത ഒരു കാലയളവു നിശ്ചയിക്കുന്നതിനും;

(ii) ഈ സഭകളിലെ അംഗങ്ങളുടെ ഇടയിൽ 1942 മാച്ച് 31-ാം തിയ്യതിക്കുള്ളതോ അതിനു ശേഷമുണ്ടാകുന്നതോ ആയ ഏതൊരു ഒഴിവിലേക്കുള്ള തിരഞ്ഞെടുപ്പോ നിയമനമോ, ഒരു സമയത്തു ആറുമാസത്തിൽ കവിയാത്ത ഒരു കാലത്തേക്കോ, എന്നാൽ 1944 മാച്ച് 31-ാം തിയ്യതിക്കപ്പുറമാകാതെയും നിറുത്തിവെക്കുന്നതിനും.
